

Hot Shots Competitions at Otumoetai Tennis Club

Whether you are just starting on your Hot Shots journey or have been playing for a few years there are a lots of opportunities for you to get involved in fun and enjoyable competition.

Hot Shots Red, Orange and Green competitions are graded to help you find the right level of competition for your playing standard.

Once you have started playing in tournaments your results go towards increasing your Hot Shots Rating which is used to help track your progress.

BIG RED STAGE

AGE
6-8

HOT SHOTS RATINGS

Hot Shots ratings are designed to help you get the most out of competitive tennis. The ratings are designed to reward you for competing, inspire you to develop your game and offer the opportunity to compete more regularly and to be the best you can be.

You can keep track of your progress on our notice board.

BIG RED STAGE RATINGS

- You will move from level 4 to level 3 once you have played in 8 matches
- You will move from level 3 to level 2 once you have played a further 20 matches including a minimum of 10 wins against level 3 or higher
- You will move from level 2 to level 1 once you have played a further 40 matches including a minimum of 20 wins against level 2 and 1 rated players
- Big Red moves to Orange at Level 1
- **Scoring format is tie - break scoring**
- **Matches are usually timed**

KEY INFORMATION

- Remember a match only counts as a win if it is against a player rated the same as you or higher.
- Mixed gender matches count at Red, Orange and Green.
- Your rating will change automatically as soon as you have recorded the correct number of matches and wins if required.
- Prizes will be awarded to players who achieve Level 2 and 1 of each stage.
